OCTOBER IS CO-OP MONTH...

“If cooperation means anything its values must be measured in terms of the progress of people. What has been accomplished in this neighborhood is that cooperation has given people the opportunity to accept the responsibilities and obligations inherent in home ownership as well as to have confidence in one another...”

A Note about Apple Picking...

We will not be going Apple Picking this year :(

As many cooperators may recall, we used to go apple picking every year. It was a super-fun family event. Unfortunately, the orchard farms that we were using will no longer admit school buses on the premises; we're hoping to find one that will admit buses. We're sorry for the inconvenience. However, we do hope that you can find a way to go apple picking with your family. For a list of nearby apple/pumpkin picking recommendations, check out our blog on our co-op www.amalgamated-bronx.coop and www.parkreservoir.org.
